

## Rachael to hold township fundraiser

TWELVE months ago, Rachael Tierney held a fundraising family day in Kilkee in aid of the Niall Mellon Township Trust. Rachael went to South Africa with the charity last November and helped to build a school in Mthatha, which is a very poor area on the Eastern Cape.

"It was an amazing experience. I felt so happy to help out and do something good for these people, who are a lot worse off than us.

"Last year, we were successful in raising an amazing €9,000. I have been inspired to do it again next year and this time my dad is going to come and help too," Rachael explained.

With this in mind, Rachael will host another family fun day fundraiser on Sunday from 12noon to 5pm at Blue Dolphin on O'Curry Street, Kilkee.

All proceeds will go towards the building of a school in South Africa next year with Mellon Educate. To donate, visit [mycharity.ie/event/school-sinafrica2016/](http://mycharity.ie/event/school-sinafrica2016/)
